

Worthy District Deputies, Grand Knights, Financial Secretaries, and other esteemed Brother Knights:

On behalf of my colleague Tim Buback, I'm excited to let you know that we have arranged for two live, in-person fraternal benefit nights in south county on the topic of Catholic investing and the solutions available through Knights of Columbus Asset Advisors:

Monday, September 18
Queen of All Saints

Tuesday, October 3
Assumption

I hope you will assist me in getting the word out to your councils AND parishes. These events are open to anyone. Membership in the Knights of Columbus is NOT required to have access to Knights of Columbus mutual funds. But you can also use these events as a recruiting tool.

I have attached THREE fliers (one for each night independently, and one flyer with both dates); use as you see fit.

If you can submit something to your parish bulletin, you may use the following text:

Catholic investors often face a common dilemma of choosing between investment growth and their moral values. We believe investment growth shouldn't be at the cost of your Catholic beliefs. These seminars will introduce you to Knights of Columbus Asset Advisors. We will go through our faith-based investment approach and how it aligns with Catholic values and financial goals. Sign up today: tinyurl.com/kofcseminar or contact Gabe Jones at 314-370-6839 or gabe.jones@kofc.org

Option 1: Monday, September 18, 7pm, Queen of All Saints Church Hall

Option 2: Tuesday, October 3, 7pm, Assumption Parish Lower Level)

Thank you for helping us to advance our Order. By exposing more Catholics in our area to the benefits and resources of the Knights of Columbus, we increase our ability to help our parishes, communities, and the Church.

Vivat Jesus!
